An essay by Individuals for a Controlled Environment
They took all the trees
And put them into a tree museum
And they charged the people
A dollar and a half just to see ‘em.
Don’t it always seem to go
That you don’t know what you’ve got
Till it’s gone.
They paved paradise
And put up a parking lot.

Joni Mitchell

"Power concedes nothing without a demand. It never did and it never will. Find out just what people will submit to and you have found out the exact amount of injustice and wrong which will be imposed upon them; and these will continue till they have resisted either with words or blows or with both. The limits of tyrants are prescribed by the endurance of those whom they suppress."
